How are we different from other clubs?

1. No expensive assessments. Your monthly dues is all you pay.
2. No joining fees (waived in exchange for a membership agreement)
3. No expensive Food Minimums added to your membership bill
4. No expensive Cap Ex projects passed along to members
5. Open seven days per week, including Mondays (That is 14% more play-days than most private clubs)
6. No in-town-guest limits. (Most private clubs allow you to bring your neighbor only once per month.)
7. No expensive, unused tennis courts and swimming pool to maintain and repair.

THE AR BAR

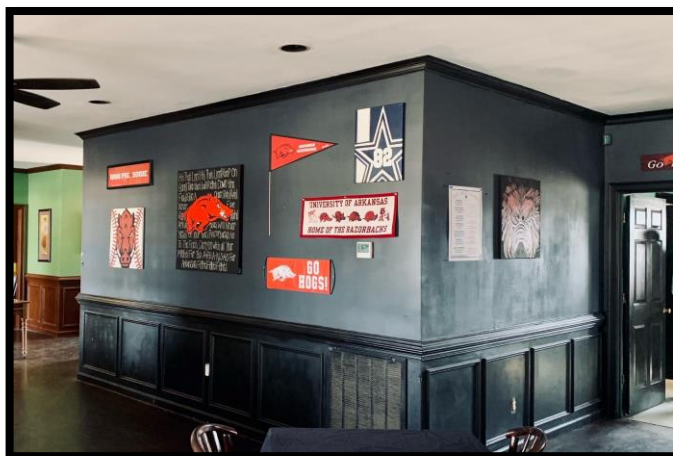

Mask Policy

In case you haven't heard, Governor Asa Hutchinson announced on February 26 in his press conference the changes to the states Covid-19 related mandates. We are thrilled to know how we as a community have made wonderful progress in lowering the spread of this terrible virus. In his speech he informed us the **mask mandate will continue through March 31** and the rest of the mandates will now become guidance's.

The Club will continue to follow the current mandate and guidance's as policy for Members, Guests and Employees. **Please continue to wear a mask while in the building and only remove them while seated in a service area**
This includes those who have already been vaccinated.

Maintain social distancing and wash your hands often.

Your safety continues to be our highest priority.

CCA LGA

The CCA Ladies worked hard and played "Fixer Upper" this winter. They painted and redecorated the bathroom.

Our spring meeting will be: **Tuesday, March 09, 2021, 10:30 am at Graves Memorial Baptist Church.** The address is 4617 Oak Grove Road. Light snacks provided. This is an open meeting, so please invite ladies you know who may be interested in playing with us this year.
