APRIL 2021

NEW COMPUTER SYSTEM

foreUP tee time software is fully-integrated with the point of sale and all features within the system. The tee time software is completely cloud-based, meaning it can be viewed using any computer, iPad or mobile phone.

DEMO DAY ALERT! 1:00-5:00PM

Fitting Day : Tuesday April 13th

FOREUP

Important Information

ForeUP software will send an email out to anyone who has a current email in our system, whether you are a member or have booked a time tee online. This email will contain a password that you will need to change once you login and this is Mandatory to fill out. This Customer Portal will be used to track all information. You, the customer, will now have full access to your account. You can see all of your booked tee times, credit balances, rainchecks, and billing information.

This Portal is also where you will book any further online tee times. As a customer you will need to create a new User name along with a changed password. You can now add individual names to the tee time slots so we can already know who is playing with you. You can access it by the email or through our new updated website!

We are asking members to login and edit your billing info; you can add a bank account & routing number or a credit card with a 2.5% fee for when your monthly dues are billed.

If you have any questions about the online portal please email Afton at abrockcca@gmail.com

COVID CART PLAN

Together we've survived a very anxious and sometimes dangerous year of COVID. A year ago we used our carts for 3 rounds a day, prohibited the use of bunker rakes and pins. We limited the clubhouse access and on course bathrooms. We even had pool noodles in our cups! And for a year almost everyone took advantage of "riding solo" while play.

Effective Saturday, April 3rd

Players may not ride solo in a club owned cart if there is an empty seat on another club-owned cart in the same player-group.

The presence of a non-golfing guest that requires the use of an additional cart will result in a charge of \$29.00 plus tax for an 18 hole cart rental.

EXCEPTION:

Strangers paired together by the course personnel or by a random online reservation will not be required to share a cart.

OPTION TO RENT AN ADDITIONAL CART:

Players who do not feel safe sharing a cart may rent a solo cart for 50% off the normal cart fee. The cost for 18 holes, including tax, is \$14.50.

This option is available as long as carts are available.

During the transition back to near-normal cart operations, management reserves the right to exercise discretion, provided suitable cart inventory is available.

MASK UPDATE:

CCA has decided that for the foreseeable future masks will continue to be required in the clubhouse, and we encourage members and guests to continue standard COVID safety protocols.

THE ICEBREAKERS

2 man best ball **won in a playoff*
