Golf Course Etiquette

For the good of all players and enjoyment of the game, all players are Required to exhibit sportsmanship and proper golf course etiquette during a round, on the driving range and in the clubhouse.

This includes letting faster and smaller groups play through, Never hitting into a group in front of you, and not playing music loud enough for other groups to hear.

Single players and twosomes can expect to play through a threesome or a foursomes- ONLY when the larger group is playing slower than the expected pace exhibited on the Visage screen or exhibited by the lack of a group in front of them, and if only they are not being held up by other groups as well.

The Proshop staff will gladly pair single players with others.

6 somes will NEVER be allowed.

5 somes are allowed on weekends after 1:00 pm. Or by special permission from Afton or Tim.

Players are also expected to care for the course, this includes repairing all ball marks, raking bunkers, and filling in fairway divots with sand.

PLEASE Call the prohop if you witness any equitte violations. 501-851-0095.
