## EPIC CALLAWAY FITTING DAY!

### DRIVING RANGE REMINDER TO MEMBERS:

Please leave the Callaway den caddies in the members' only area. Members wishing to use complimentary range balls for short game practice need to use the plastic green baskets for transporting driving range balls to the chipping area. At no time should driving range balls be removed from the driving range.

## LADIES GOLF

The Country Club of Arkansas is delighted to be the home of not one but TWO of Arkansas' female golf instructors, and we are quickly becoming known as the central Arkansas "entry point" for ladies who are getting started in golf. Our instructors include our own Afton Balling Brock, who is beginning her Career as a PGA professional, and a long time PGA Member, Ann Baker. Both are available for instruction. While they are both experienced teachers and qualified to help any golfer, they do offer a special talent when it comes to making new female players comfortable with the process. Be sure to pass this along to both Family and Friends who may have a beginning golfer who is reluctant to get started.

Starting back up in September, registration is now open. Classes will fill up fast! First 10 ladies are guaranteed a spot, anymore will be put on a waitlist.

### First Session:

## TROUBLED BRIDGE

The concrete bridge on hole #5 has long been a gathering place for debris and trash that has flowed through the water-way from the commercial area south of the course property.

During the month of August our maintenance crew will be demolishing the existing bridge, excavating the 25 year old metal pipes and replacing it all with a wooded walking bridge. This will allow the water to free-flow through the area and eliminating the build-up of debris, thus removing the biggest eyesore.

We are requesting your patience as hole #5 will be closed from time to time as work begins.

## Course Care:

- Post Covid Personal Carts: use is limited to Full Members only.
- Collared shirts are required while golfing.
- Carts should not be parked ANY closer to the green than 40 yards or carts need to remain on the cart path by all tees and greens.
- 5 somes are only allowed after 1:00 pm, unless received special permission from Afton or Tim. 6 somes are not allowed.
- Please let faster or smaller groups play through.
- Rake the bunker after use.
- Repair all ball marks on the green.
- Please do not toss trash onto the grounds, and help keep our course free of trash by collecting any in your path.
