## **LADIES GOLF IN CENTRAL ARKANSAS**

The Country Club of Arkansas is delighted to be the home of not one but TWO of Arkansas' female golf instructors, and we are quickly becoming known as the central Arkansas "entry point" for ladies who are getting started in golf. Our instructors include our own Afton Balling Brock, who is beginning her Career as a PGA professional, and a long time PGA Member, Ann Baker. Both are available for instruction. While they are both experienced teachers and qualified to help any golfer, they do offer a special talent when it comes to making new female players comfortable with the process. Be sure to pass this along to both Family and Friends who may have a beginning golfer who is reluctant to get started.

Starting back up in September, registration is now open. Classes will fill up fast! First 10 ladies are guaranteed a spot, anymore will be put on a waitlist.
