### Fleet Cart Distribution –

### Back to Handing Out Keys in the Golf Shop

COVID 2020 forced us to put the golf shop on shut-down which led to using paper cart tags for safer cart-distribution to registered players. When COVID numbers went down in the spring of 2021 we relaxed our program and began handing out keys in the Proshop again. By summer of 2021 the spread of the COVID Delta variant and the fear of resurgence pushed us back to the paper name tags again.

We are pleased to announce that beginning immediately we will be returning to handing out keys at the Proshop counter and signing responsibility forms – like the pre-COVID days. Hopefully COVID numbers will continue to fall and no more changes will be required

## Let's Follow the Cart Rules!

### **Solo Riders:**

During 2020 most courses allowed players to ride solo in carts to reduce the spread of COVID. It is widely known that courses, including ours, have returned to sharing carts. Free single carts are no longer an option.

Players who wish to ride solo in a cart may do so by "renting" an extra cart for \$30 plus tax. We prefer that you notify us and pay in advance (before you grab that extra cart), but since we do not see or speak with some golfers, especially members, before their round we will do our best to try to stay on top of it.

### **Private Cart Sharing:**

The majority of our private cart owners participate of our Cart Sharing Program. In exchange for waiving the month trail fee of \$40 private cart owners must invite or allow other golfers to ride in their personal cart when doing so eliminates the need for a fleet cart. This practice was not enforced during 2020 and many cart owners have not returned to the pre-COVID program. To avoid the cart trail fee it is important that you begin to do so.

### **Park by the Rules:**

Keeping the carts on the paths around the tees and greens is an ordinary, respectful thing to do. It is common practice at nearly every course in the country, yet we have players who continue to park their cart in the grass next to the tee ground and far too close to the greens. Please do not force us to implement this existing policy. Play and Park by the rules.
