REMINDER:

*All Players,
including
members, must
check in at the Pro
Shop before teeing
off.*

IMPORTANT

Please make tee times as accurately as possible.

All players, including members, are strongly encouraged to reserve the suitable and correct amount of space to accommodate the players in your group. This is especially important on the pretty weekends. When you learn that your foursome is now a twosome- please call the Pro Shop to modify your reservation. CCA thanks you in advance for your ongoing cooperation

**ANNUAL FATHER'S DAY CCA
FOURBALL**

June 16th – June 19th is the annual CCA two person tournament. More info to come!

IN SEARCH OF:

We are in search for rental club sets for 2022 season. Some of you might have sets or clubs we are looking just sitting in your garage that we could use! You can trade the clubs for shop credit or we can settle for a price and buy. Bring your old club by and have us take a look!

Callaway: GOING ROGUE

CCA is getting our very own Club Fitting System! This way we can fit you anytime.

Callaway continues to develop groundbreaking innovations that benefit golfers of all abilities. Industry-leading innovation has created our fastest, most stable drivers ever. The new Rogue ST Drivers represent a breakthrough in driver performance.

Four Driver Models are Available:

MAX D: A dedicated draw model for players who need the most shape correction.

MAX: Our best combination of distance and forgiveness to fit the majority of players.

MAX LS: Stronger trajectory, lower spin, and more neutral ball flight compared to Rogue MAX.

Triple Diamond LS: A Tour-proven, compact, low spin head with a neutral-to-fade bias for better players.

Features & Benefits of All Models:

- Increased Speed, Stability & High MOI from all-new Tungsten Speed Cartridge
- Stability and Speed from Jailbreak Speed Frame
- New A.I. Designed Face for Lower Spin and Increased Forgiveness
- Stability and Forgiveness from Unibody Construction
