## ANNUAL FATHER'S DAY CCA FOURBALL

June 16<sup>th</sup> – June 19<sup>th</sup> is the annual CCA two person best ball tournament.

This year it will be a 3 day match play style event. There will be qualifying opportunities prior to the tournament week for Flighting purposes. There will be a shout out, Par 3 Contest and a dinner. This weekend will be loaded with fun, family and golf!

**YOU CAN ACTIVATE YOUR OFFICIAL  
HANDICAP WITH CCA! ASK THE  
PROSHOP FOR MORE INFORMATION.**

April 2<sup>nd</sup>

Proshop & Driving Range:  
Monday – Sunday 8:00 - 6:00  
Restaurant: Wednesday – Sunday 9:00 to 5:00

## LINKS CLUB

The LinksClub program at The Country Club of Arkansas is, by far, the most successful and most innovative golf program in the Arkansas golf market (for Non-Members).

The LinksClub program is based on loyalty, value, communication, and recognition. For a variety of reasons not every golfer plays often enough to justify the monthly cost of a Full Club Membership, but this does not mean that they do not wish to enjoy the privileges and respect that comes along with being a member. For this reason we developed the popular LinksClub program.

LinksClub pay \$14.95 monthly. Applications are taken in-person at the course or by phone (with a credit card) by calling 501-851-0095. We will soon have a 2022 LinksClub application on our website

# Odyssey: Hot, Hot, Hot!

CCA is getting our very own Club Fitting System! This way we can fit you anytime.

Callaway continues to develop groundbreaking innovations that benefit golfers of all abilities. Odyssey is the **#1 Putter on TOUR** and has been for the last 11 years! In fact we are the **#1 Putter on EVERY** major worldwide TOUR. This domination is led by the performance of our product, and it's reflected in our remarkable leadership statistics.

We developed Tri-Hot 5K with an audacious goal, to introduce a new blade putter construction that outperforms a mallet, in a classic shape that the best players on TOUR love. We've moved the CG positioning forward and leveraged new materials in ways that have never been realized in a putter. Stainless steel, tungsten, and 6061 aircraft grade aluminum have all been meticulously crafted to re-invent what a blade can accomplish.

## Features & Benefits:

- High Performance and Tight Dispersion From Stainless Steel Front
- Unprecedented Forgiveness For A Blade and Improved Roll From Tungsten Front Weights
- Interchangeable Front Weights
- Legendary White Hot insert
- Red Stroke Lab Shaft

## IN SEARCH OF:

We are in search for rental club sets for 2022 season. Some of you might have sets or clubs we are looking just sitting in your garage that we could use! You can trade the clubs for shop credit or we can settle for a price and buy. Bring your old club by and have us take a look!

Winning Team Tanner Kirby, Barry Davis & Terry Kirby
