Callaway Corner: Ladies Edition

INTRODUCING WOMEN'S BIG BERTHA REVA IRONS

FEATURES & BENEFITS

Designed for Women to Unlock Your Inner Distance

We looked extensively at player performance data to build an irons set that creates the most distance for you. The lofts, swing weights, and shafts are all optimized to help you hit the ball a lot farther.

Amazing Forgiveness from Legendary Big Bertha Shaping

This club profile that golfers love is engineered to give you more confidence over the ball with noticeably wider soles. For easy launch, lower spin and straighter shots, we've added more offset. Combined with our Flash Face Cup, we've developed a NEW formula for distance and forgiveness in a women's iron.

Higher Launch from Our Visible Tungsten Energy Core

We've added a significant amount of custom tungsten weighting. So we can deepen the CG in each iron with extraordinary precision, while still maintaining ball speed in the Flash Face Cup. Now you can get higher launch conditions through the set.

Pure Feel from Urethane Microspheres

Our patented urethane microspheres comprehensively absorb unwanted vibration for exceptional feel, while also maintaining fast ball speeds.

Premium Components Package

Features a speed-enhancing RCH Shaft and a premium Lamkin Women's ST Soft Grip.

REMINDER:

ALL PLAYERS ARE RESPONSIBLE FOR KNOWING THE CART PATH RULES BEFORE PLAY.

PLEASE CHECK WITH THE PRO SHOP.

THE PLAYERS GUIDE

Hole in One Alert!

On Saturday April 23rd Phillip Pasierb made a hole in one on 15 with a 9 iron from 147 yards.

LINKS CLUB MEMBERSHIP

The LinksClub program at The Country Club of Arkansas is, by far, the most successful and most innovative golf program in the Arkansas golf market.

The LinksClub program is based on loyalty, value, communication, and recognition. For a variety of reasons not every golfer plays often enough to justify the monthly cost of a Full Club Membership, but this does not mean that they do not wish to enjoy the privileges and respect that comes along with being a member. For this reason we developed the popular LinksClub program. LinksClub members pay \$14.95/mo. Visit our website or stop by the course to learn more about this money-saving daily-fee membership program.
