## THE SHARK EXPERIENCE

Our New fleet carts will finally be here! Get ready for the Shark experience. Bluetooth speakers will be built in to the upper baskets. Visage GPS will still be provided and these carts will be super powered with lithium batteries.

Shark Experience offers distance-to-pin measurements, hole flyovers, and pro tips. In addition, music and entertainment choices provide your golfers what they want – an entertaining day out.

Paired with Visage Fleet Management, the Shark Experience connects cars and the course in a whole new way.

## 2023 ONWARD GOLF CARTS BY CLUB CAR

My partners and I are proud to be able to offer Country Club of Arkansas members and guests the finest golf carts money can buy. The 2023 ONWARD with lithium batteries, custom seats, and a 5g computer on board is a \$15,000 vehicle, and this sixty-car fleet is the largest equipment purchase in our 20 years as owners of the course. We hope you enjoy them.

BLUETOOTH SPEAKERS INTEGRATED INTO THE ROOF: Connect your phone as a music source and leave your portable speaker at home.

VISAGE INFORMATION: The Visage information system you have come to love is now clearer and better than before. The scorecard program is much improved, the images are clearer, and exclusive content such as live sports scoring in coming soon. Feel free to navigate it next time you play to discover the new features.

FOOD ORDERING: Soon we will “turn-on” the food ordering feature, allowing you to see and order from the grille menu so your food is ready when you reach the clubhouse. If the feature is not available it means the restaurant is not staffed.

SINGLE CART RIDING (SHARE OR PAY): You may choose to ride solo on a cart for an extra \$30 per round, but otherwise we are going to insist that any time you take a cart, you share it with another member of your group - if sharing is possible. A \$30 fee will be levied against golfers who have the opportunity to share a cart but choose to ride solo. Even if you are only playing a couple of holes you must choose between sharing or paying.

# CALLAWAY CORNER:

**Z Grind:** Tri-level sole design, with an aggressive leading-edge chamfer that acts as a skid plate for enhanced turf interaction

- Shot makers who like to open the face around the greens
- Shallow Divot
- 8° Bounce

**S Grind:** Standard medium-width sole with a slight ribbon at the back, and moderate heel relief to keep the leading-edge low through impact

- Fits a variety of swing types but is best for players who prefer a square face
- Moderate Divot
- 10° Bounce

**X Grind:** Our highest bounce option provides heel and toe relief, along with a narrow width for versatility when you open the face

- Shot makers with a steep angle of attack
- Deep Divot
- 12° Bounce

**W Grind:** Our widest sole for players who need the most help and forgiveness

- Promotes skidding and reduces digging
- Deep Divot
- 12° Bounce

## Features & Benefits:

- Total Spin Machine
- New Weight Balanced Design for Enhanced Feel and Improved Scoring Performance
- Versatility and Shot Making with 17 Loft / Bounce Options Per Finish
- Premium Components and Finishes
- Callaway Customs Options
