The Wednesday night league kicks off on Wednesday April 5th at 5:30pm and will run every Wednesday until September 20th. The first three weeks are for qualifying only. This is where you establish a team handicap.

FRIENDLY FORMAT: 2 person scramble team of any skill level. There is nothing more welcoming than a nine-hole match play event with a double bogey max. The event is handicapped making each team seem almost invincible. You get to play against different two-person team every week!

LOW COST: The weekly entry fee is only \$10 per member player; or \$29 plus the \$10 for Nonmembers.

EXCITING TOURNAMENT BRACKETS: At the end of the season we fit teams into a NCAA-like tournament bracket. Seeding is based on your full year performance, but all teams will make it somewhere into the bracket.

HUGE PRIZES: All monies are saved and paid out at the end of the season. Big \$\$\$!

LEAGUE MEMBERSHIP: Non-members are required to pay a Twilight greens fee each week (\$29). Pick your partner carefully because you will be playing with them every week for nearly half the year!! Try to find someone with very few Wednesday evening conflicts because when they don't show up you still have to play. Non Members will be required to keep a payment type on file.

WEEKLY PLAYER/PARTNER SUBSTITUTIONS WILL NOT BE PERMITTED: If your partner is unable to attend you will be given ONE EXTRA SHOT per hole.
