first 100 players get a free pair of Eclipse Sunglasses

Hours of Operation

Beginning Monday, March 11th the golf shop will begin opening at 8:00am on weekdays with the first tee time at 8:30 and the last being 5:30 pm. The Pro Shop will close at 6:00 pm. Weekends we will open at 7:30 with the first tee time being 8:00 am.

TOTAL ECLIPSE OF THE COURSE

The Solar Eclipse on April 8th will not be something you just see, it will be something you experience. Part of the experience is the sights and sounds of how nature reacts to sudden totality. People who have witnessed many eclipses noticed how cows returned to the barn when the light gradually fell, cicadas fell silent and birds began to panic when "night" suddenly set when they least expected it. Please join us this year for an experience to remember!

Cart Registrations

Private cart registrations for 2024 are officially open. If you are already operating one or more private carts please stop by the golf shop to pick up your orange 2024 cart sticker. The stickers are to be placed on the lower part of the windshield, left or right corner. Every member cart is required to wear a current sticker and sign a 2024 Private Cart Agreement.

Private Cart Trail Fee Cost

Some members were "Grandfathered" into an older private cart program and are not required to pay the monthly private cart trail fee, which will resume on January 1, 2024. The fee, which was \$70 per month before COVID, has been reduced to \$25/month.

Course Protection

Let's talk about Cart Path only, it is not punishment to you as a golfer, it is for the protection of the course. Please help us by taking care of the course by following the CPO rules.

To protect our course here is our cart path policy: RED FLAG flying = CARTS RESTRICTED TO PATHS AT ALL TIMES. When the RED flag is NOT flying the carts must remain on the paths around all tees and must return to the paths 100 feet from any green. (The flag pole is next to the practice putting green.)

Searching For...

We are in search for rental club sets for 2024 season. Some of you might have sets or clubs we are looking just sitting in your garage that we could use! You can trade the clubs for shop credit or we can settle for a price and buy. Bring your old club by and have us take a look!

Welcome Back!

Afton Balling Brock was a staple at the course from 2019 to early 2023 and ultimately decided to come back when the position of the Assistant General Manger was offered. She hopes to grow membership and course programs. She is happy to be back and excited to see all of the regulars! Here is to a great 2024 season!

SuperBowl Scramble Tournament Winners
Congratulations to the following players on their winning performance on 2/10. The Modified scramble challenged all players. After the team selected the drive, that play was barred from hitting the second shot.
