I'LL DRINK TO THAT

Introducing the Bartesian Cocktail machine. It is making quite a "splash" in the grill, we can make restaurant quality mixed drinks in a matter of seconds. Cosmos, Whiskey Sours, Old Fashions, Margaritas & Lemon Drops are among the most popular! Grab yours for \$10 flat.

Brought to you by popular demand, the grab and go Market Sandwiches are in our glass front mini fridge! These are the perfect substitute for when the grille is closed, just settle up in the pro shop and enjoy your fresh and ready sandwich or wrap on the run.

IT'S THAT TIME OF YEAR

CART TRAFFIC: Carts should never be parked inside 100 feet from any green. Carts should always remain on the paths by every tee box and green. No carts should stray from the path on any par 3.

RANGE MATS: Beginning Monday November 4th the range play will return to the mats to protect the turf, which is dormant due to the changing weather. All balls are to be hit from the mats at this time.

RED FLAG: The RED Flag program has worked nicely in the past winters. If the Red Flag is flying high it means all carts are restricted to the cart paths.
